**MEMORANDUM FOR THE RECORD**

**SUBJECT: Rental of Chrysler Limousine**

1. In accordance with direction from the Director of Logistics, the undersigned notified Mr. F. R. Kadie of the Chrysler Corporation, by telephone on 19 July 1965 that Central Intelligence Agency will not be able to lease the Imperial Crown Chrysler Limousine as had been proposed. The reason given was disapproval by the Bureau of the Budget using Bureau of the Budget Circular No. A-22 as the authority.

2. Mr. Kadie advised that he had written and mailed a letter to his New York office on Friday, 16 July, asking that the limousine be shipped to Washington as soon as possible. He stated he was sure no action had been taken on his request and that he would call the New York office and cancel it.

3. I expressed regret and appreciation for his efforts. It is not expected that any terminating cost will arise.
